## Mount Pakenham Newsletter

Sept 2014

**Welcome to the 2015 Season of CADS Skiing at Mount Pakenham!**

### Registration Information

Our season is set to start Jan 4<sup>th</sup> and will consist of 8 weekly lessons.

The 2015 Application Forms are being updated and will be sent out in September by e-mail. Skiers from last year will have first opportunity to respond and register. If we haven't heard from you by the date indicated on the registration form, we will move to our waiting list and start accepting new applicants.

### Keeping in Touch

There are new Federal rules in place for email membership lists. **IF YOU HAVE NOT RECEIVED ANY EMAIL NOTICES OF UPDATES** it may be because you have not given our registrar permission to maintain your name on our membership list. **REMEMBER THAT YOU MUST GIVE US EXPLICIT PERMISSION TO KEEP YOUR NAME ON OUR MEMBERSHIP LIST EACH YEAR.** If you have not yet done so, and wish to remain an active member of CADS-Mount Pakenham, please let Dave, our registrar, know that you wish to be on our membership list.

### Director's Message

Welcome to all our returning volunteers and participants! We also want to welcome new participants and volunteers to our program.

Each year, our program has expanded. We continuously get requests for new participants and our goal is to accommodate all requests. However, we are able to accommodate participants only when we have generous volunteers who are willing to be involved. Please let your skiing and snowboarding friends know how rewarding it is to be part of our wonderful program. Remember, if you are a reasonably proficient skier/boarder, we will provide the required training. The most important element is your generous heart!

I am the new Program Director this year, but it would be impossible for me to perform this task without the support of an amazing Management Team. Thank you all for your generous support.

**Allan Braun**
