To whom it may concern:

CADS-Edelweiss is an adaptive snowsports club within the National Capital Division. CADS is a national organization dedicated to helping those with physical and/or cognitive disabilities learn to ski and snowboard. We are a non-profit organization run strictly by volunteers, and we rely on registrations and donations for our funding.

As part of our fundraising efforts, we are having a silent auction as part of our end-of-season banquet. Our end of year banquet takes place every year in March, with approximately 100-150 people. The silent auction is a key part of our event, and will contribute significantly to supporting our club.

Funds help to keep our equipment in good running order, enable us to purchase the sometimes costly adaptive equipment and equipment-solutions needed by our participants, and continue to provide all involved in our program a safe, fun and affordable experience.

I am asking that you consider making a donation in the form of prize(s) or gift certificate(s). If you prefer, we would be grateful for cash support. All monies raised by our fundraising efforts go towards the running of the Edelweiss program, and tax receipts are available to those requesting them.

Finally, I would like to thank you for taking the time to consider our cause. If you have any questions about our program, please do not hesitate to contact me at [randyinnes@gmail.com](mailto:randyinnes@gmail.com).

Sincerely,

Randy Innes
