Director's Corner

Until next year...

I am amazed at all that we have accomplished this year and the wealth we created. Looking back over the season I am thankful for many things that we did as a team at CADS.

Why CADS makes me thankful:

1. It brings me together with wonderful people (participants, parents and instructors)
2. I get to ski for eight weekends!
3. Our skiing improves every year.
4. I love hearing the laughter in the lodge and on the ski hill.
5. Louise brings us awesome treats every Sunday.
6. People help one another out and are awesome trouble shooters.
7. Everyone is learning and growing in their roles and trying new things (skiing, snowboarding, tethering, blocking, obtaining certifications, instructing, being a part of the management team, heading out on new terrain)
8. I have a great time with friends skiing.
9. We look good in our red coats.
10. We have some awesome success stories and achievements this season.

The season was a huge success and everyone should take a bow and pat him or herself on the back. If we look at all that we have achieved and all the fun we had it truly was special. I think that we worked hard, had a ton of fun and learned along the way. We were respectful of safety and everyone came ready to make a difference and to share. Together we are stronger as a team and we continue to grow.

Participants had big smiles and instructors seemed to have even bigger smiles. There were hugs, there was laughter and there was fun and learning. We overcame some challenges but those seemed smaller and less this year.

So thank you everyone for coming out, giving your all and making a difference to others. You are truly a special group of people and I am so excited to be a part of the team.

Looking forward to next year already!
